

In the specification

Please replace the Abstract of the Disclosure paragraph on page 18 of the specification with the following Abstract of the Disclosure.

~~The integration of an audio or video program with an application program is disclosed.~~
[[The]] An application program and [[the]] an audio or video program may run on an operating system. The audio or video program is integrated with the application program. A user of the application program interacts with the audio or video program as though the audio or video program were part of the application program.
